

PLANNINGS

TORRE 4

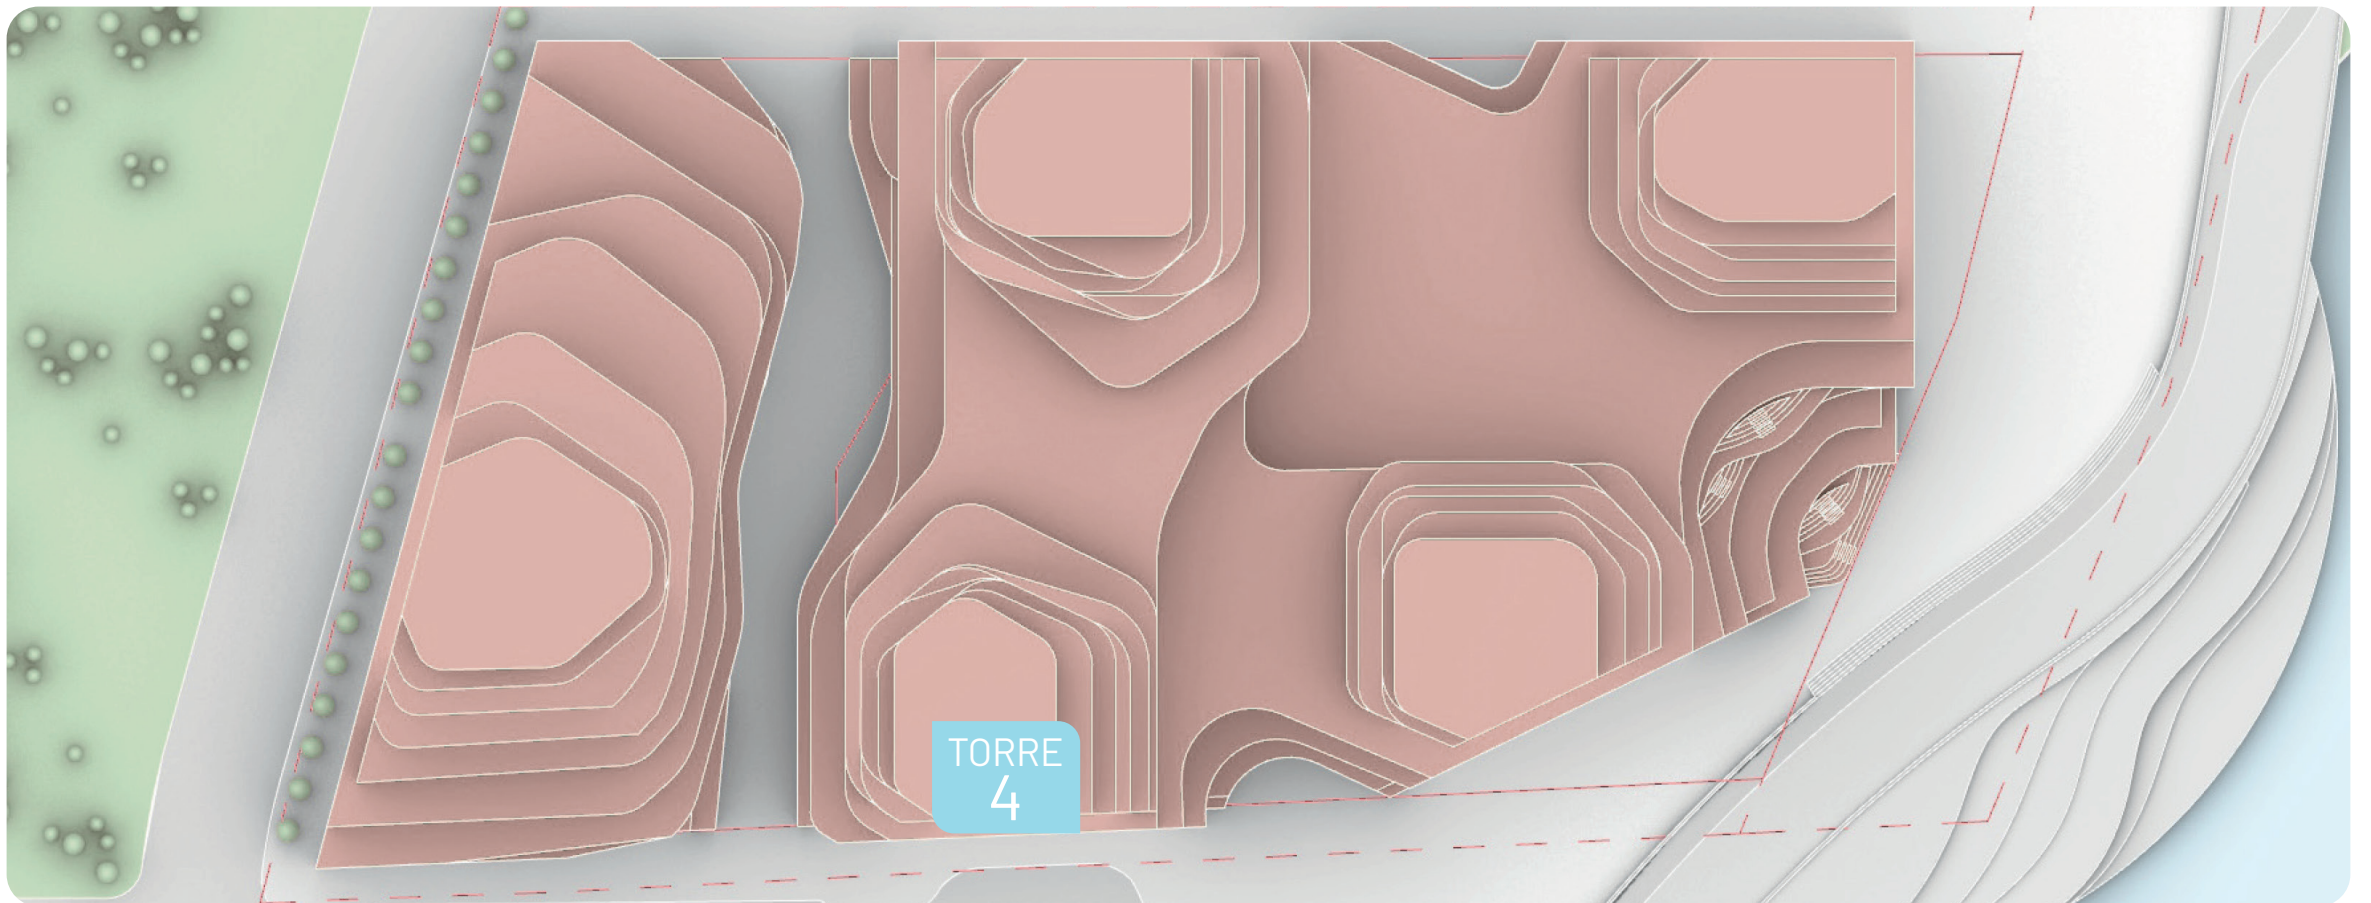

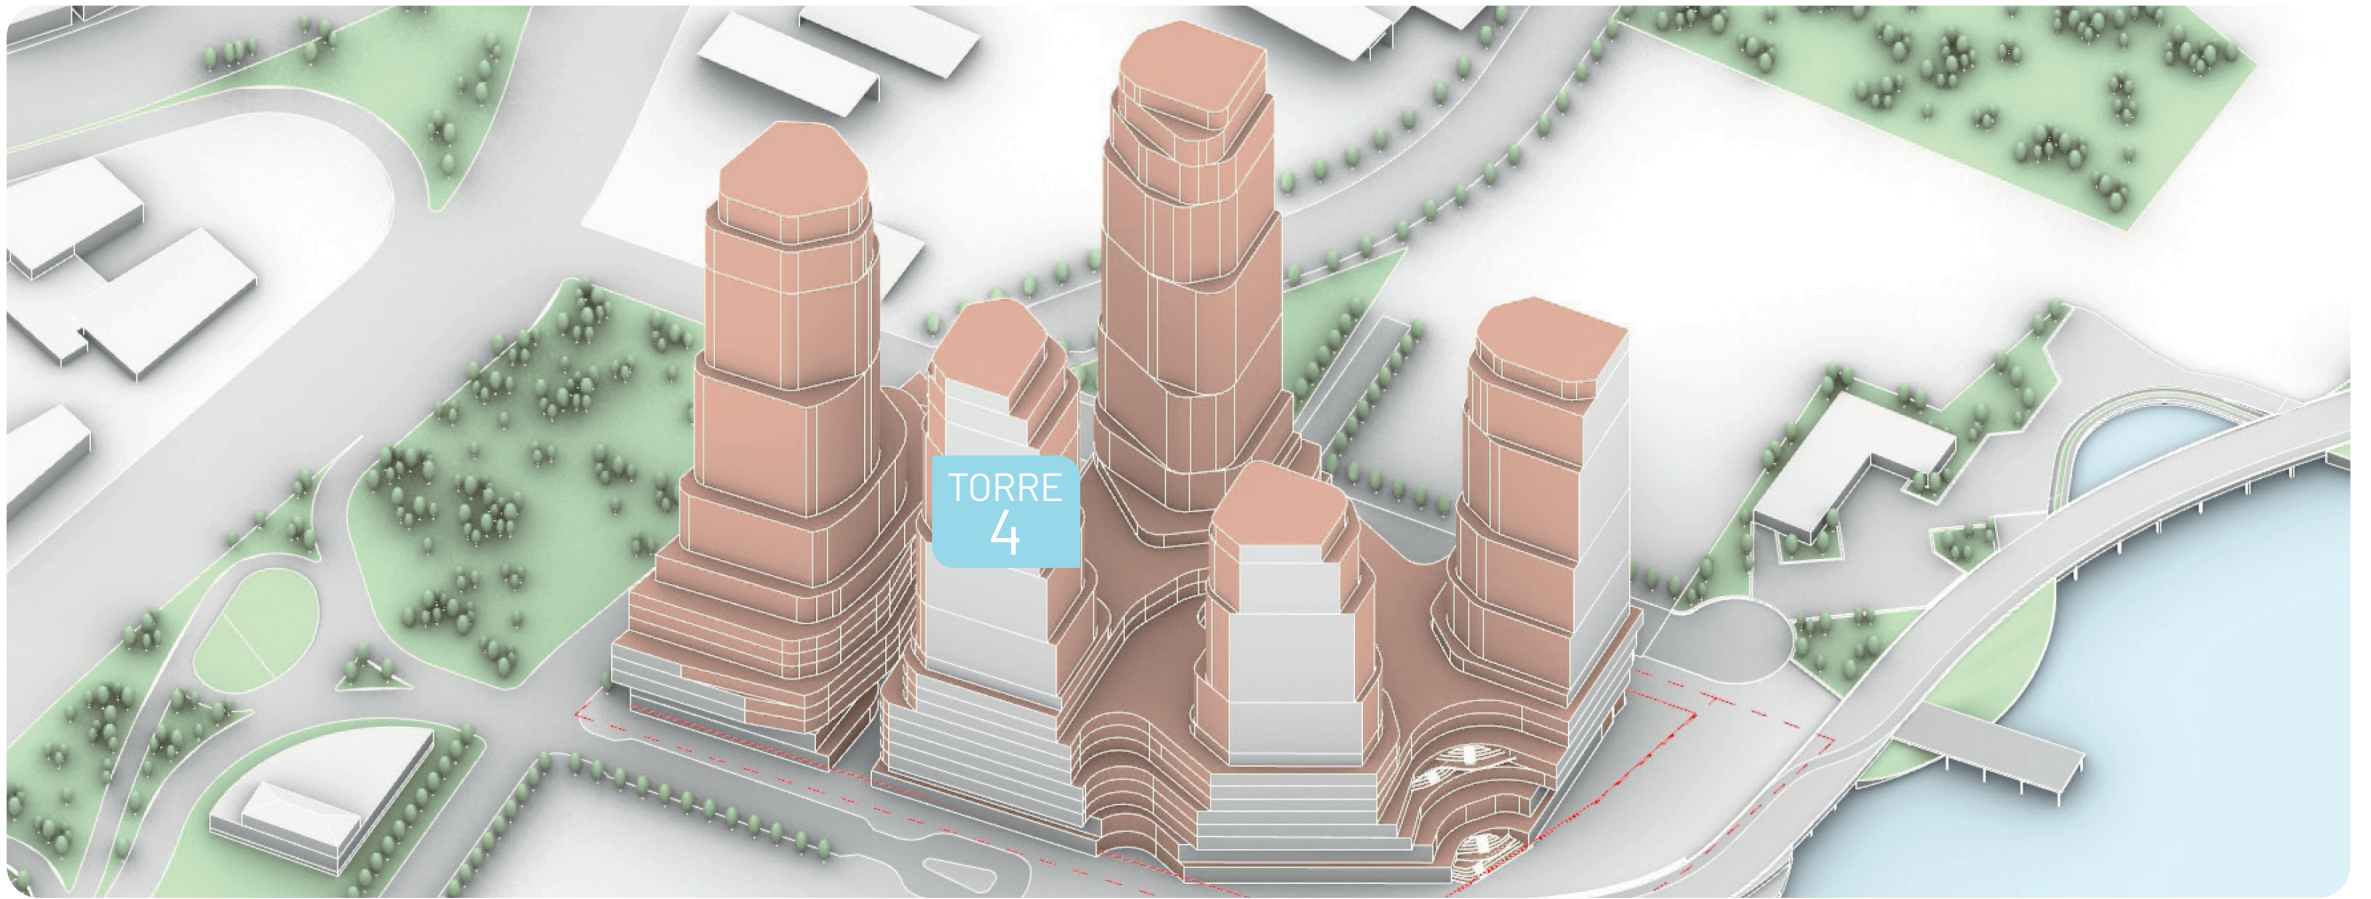

THE
HILLS

The Hills se compone de cinco torres de uso mixto, que se elevan a medida que se alejan de la orilla para aprovechar al máximo las vistas que el río y la ciudad ofrecen. La fachada exterior del conjunto se caracteriza por sus líneas limpias y su color blanco,

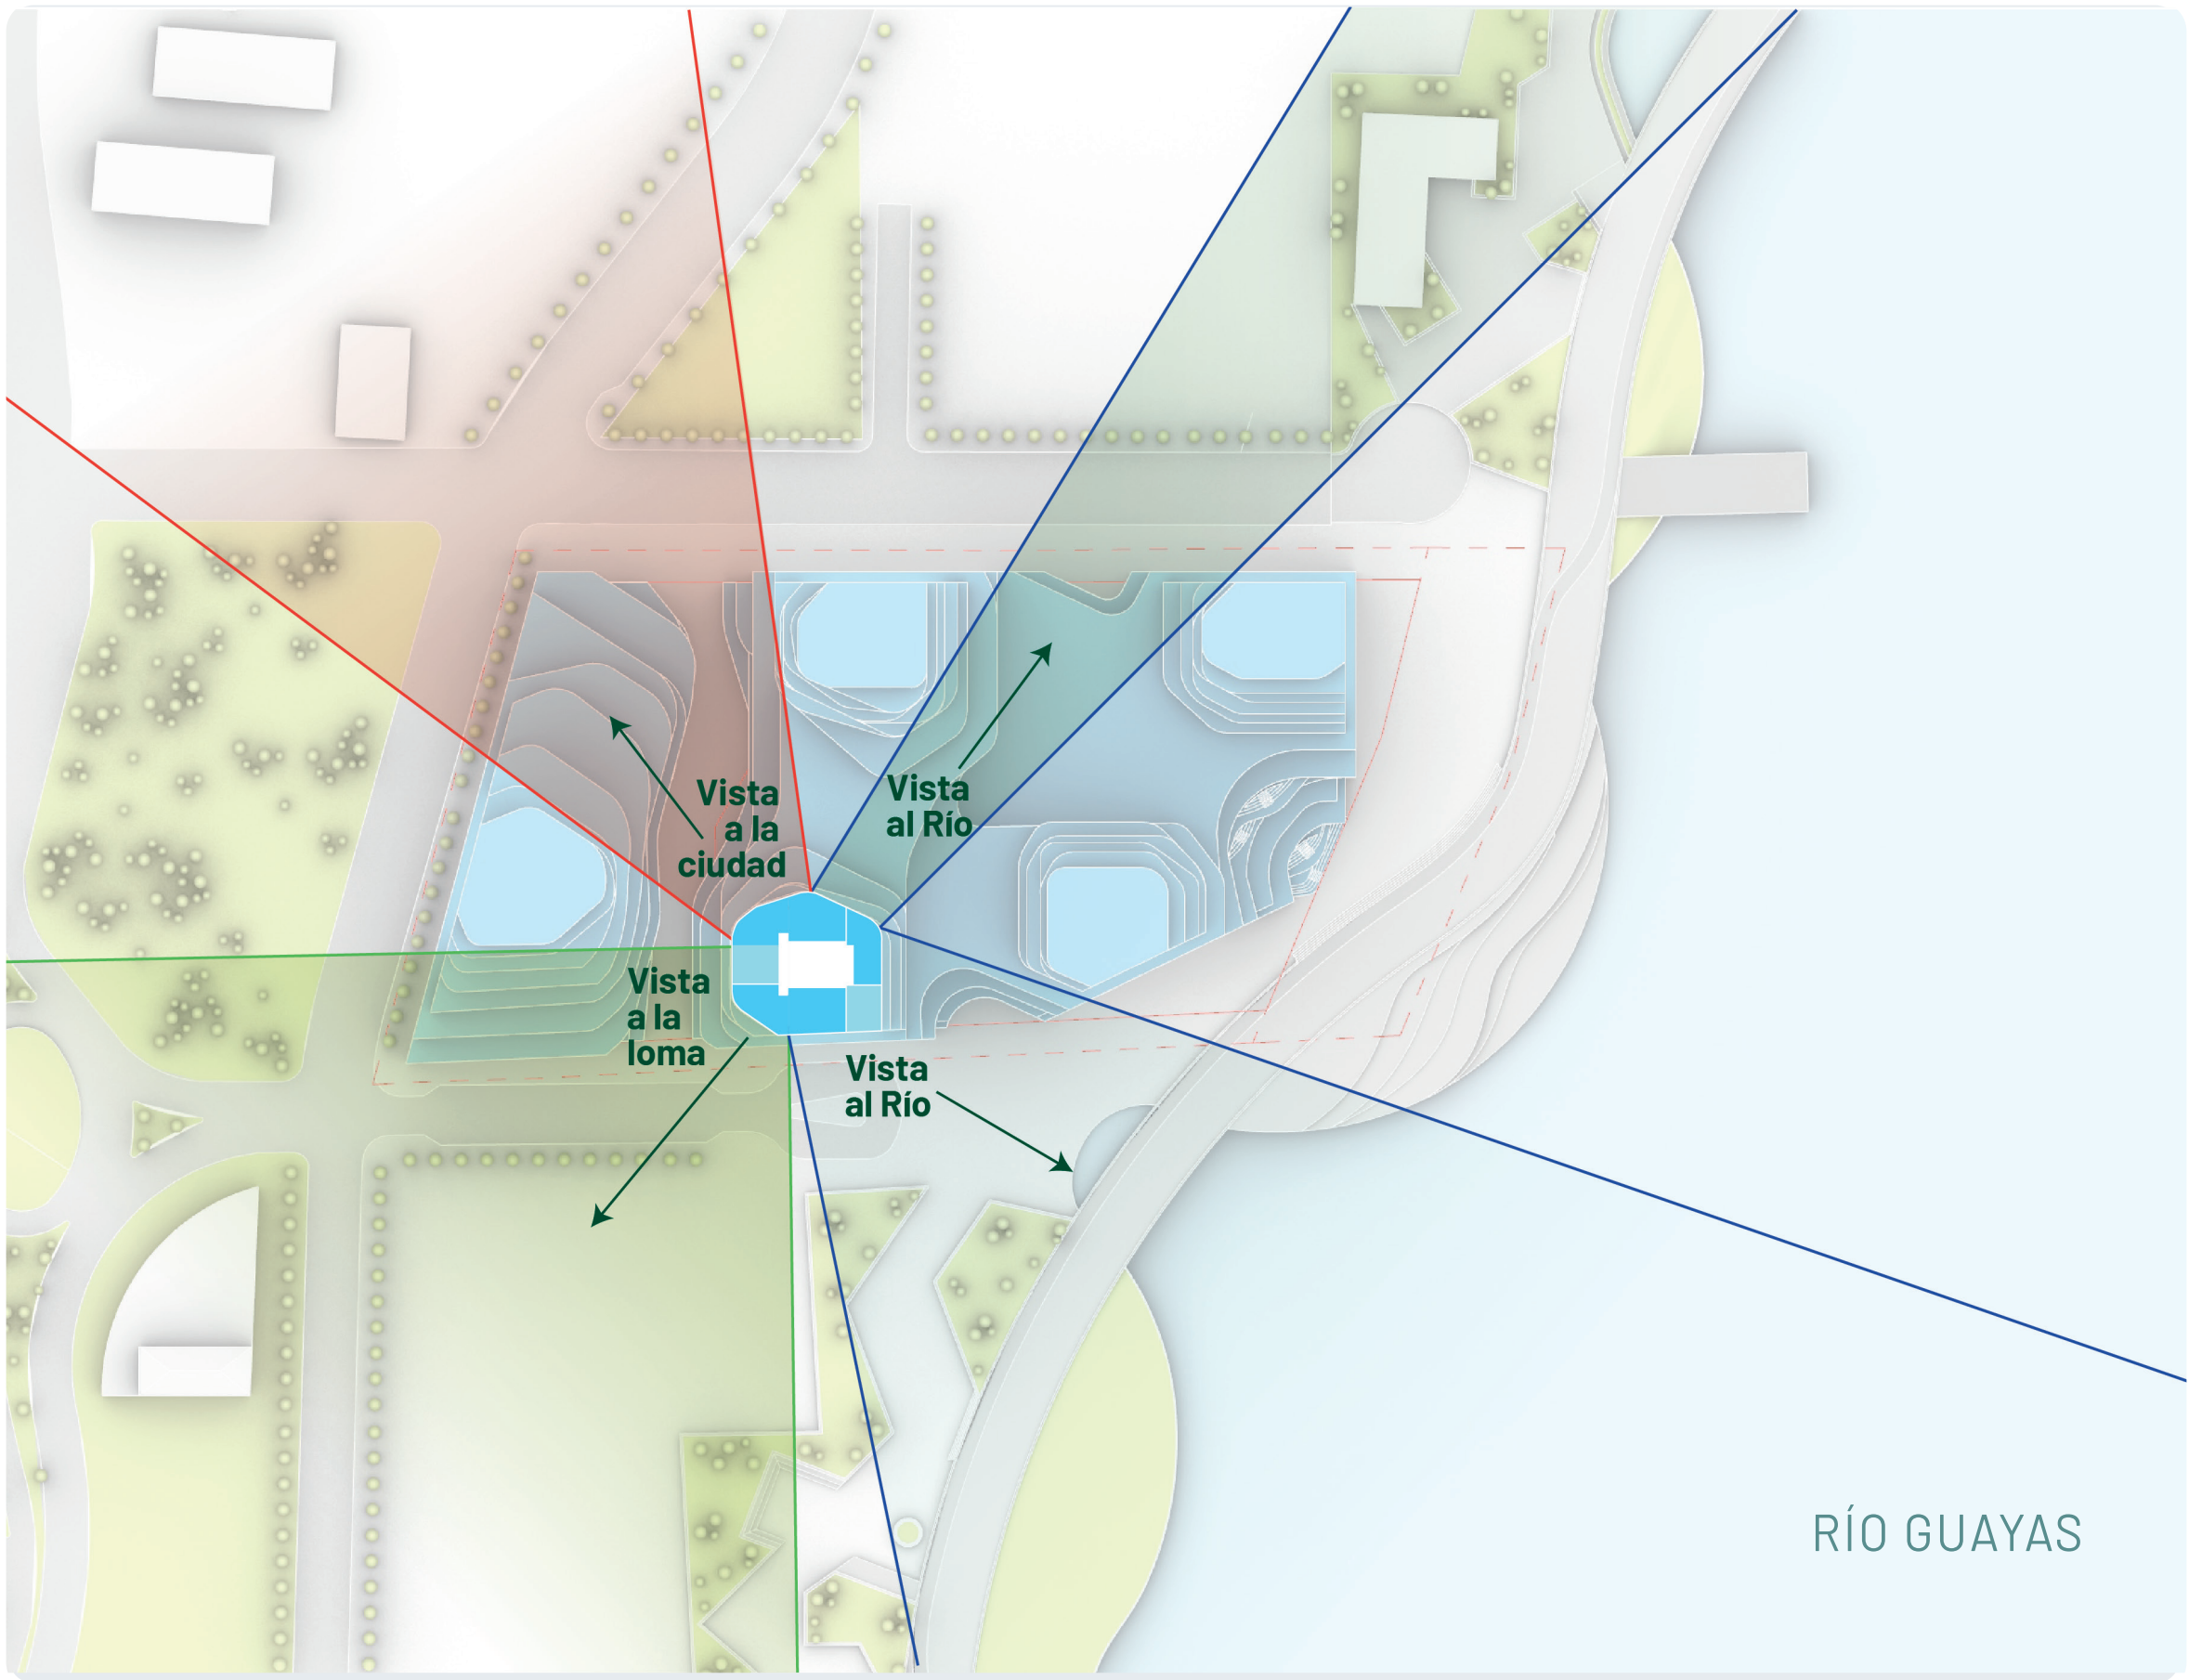

ocupando un lugar entre la arquitectura moderna del dinámico Puerto Santa Ana.

Por el contrario, el espacio interior entre torres, está definido por curvas naturales y orgánicas, retrocesos y volados irregulares, balcones en tonos tierra y abundante vegetación.
